August's Meeting

by
Richard Jozefiak

The September 24 meeting had 15 people attending, which included six new members. I would like to welcome Glenn Cantley and his son Stephen, John Knadler, Jeff Neely, George Gerry, and Ted Capaul.

Mr. Glenn Cantley spoke on the YN program he leads at the Whitesburg School in Huntsville. Glenn said that his coin club meets once a month, and he has about 30 students attending.

Stephen Cantley told MCCC about his experience at the YN program at the ANA Annual Convention this past

August in Atlanta. He showed a number of numismatic items that he collected at the ANA Convention.

Upcoming Meeting

The next meeting is on October 22, and Mr. Frank DuVall will be our guest speaker. He will show us a number of rare coins he has in his collection. Frank has been collecting many years, and has assembled a large collection of rare coins that is impressive to see.

We will also have a club auction, so please bring items for the auction. Please remember that all auction items are paid for in real time.

Please plan on attending the meeting.

In November we will hold our first election. The club has the following offices to be filled: President, Vice President, Secretary, Treasurer, and three Directors. It is important to get members to fill positions to help grow the club.

Please help the club by getting the word out. I will have MCCC flyers and applications at all the meetings, and you can always make copies.

**Update on Alabama State Quarter
Program**

I have contact Governor Don
Siegelman's office, and have found that
the Governor has assigned the task of the
Alabama State Quarter Program to Ms.
Helen Moore in the File Commission
Office. From the Huntsville Times of
October 4, 2001, Gov. Siegelman has
sent a number of designs to the U.S.
Mint for review. The mint will send
their drawings back to the Governor to
select his final choice. Alabama's state

quarter will be released in early March
2003.
