

Madison County Coin Club of Huntsville, Alabama

Volume 11, Issue 2

February 2011

The President's Corner

We had a very fine program last month by member Mike Ford and he talked about "How to Buy Coins". He pointed out several good websites for coin information, which I was not aware existed.

Be sure to mark your calendars that the meeting date for this month only is the 3rd Monday night, February 21st, due to a scheduling conflict with the Senior Center.

We need some program for the last part of our year so look into your collections and present a program about your favorite coin.

We had a good year last year with our attendance averaging 15 for each meeting night. Let's keep up the good work and plan to attend when you are able.

Do you have any ideas how to make our club more interesting and fun? Let your club officers know your ideas.

Don't forget to bring some items for our "Show-and-tell" part of the meeting. This adds a lot of interest.

See you on **February 21st**.

Sincerely,
Bob

Jersey's One Twelfth of a Shilling Commemoratives the Norman Conquest

By Harold Fears

In 1966, Jersey celebrated the 900th anniversary of the Norman Conquest and its unique links with England. The Island has "peculiar" privileges obtained through a series of royal charters which has resulted in Jersey being officially known in the constitutional terms as "A Peculiar of the Crown." In 1204, King John lost his lands in Normandy to the French but, Jersey and the other Channel Islands, which were also part of the Duchy of Normandy, sided with the King and Jersey has remained predominantly royalist since that time. These coins were minted to mark this special anniversary. ■
