The President's Corner

Our meeting last month was another good one with Richard Jozefiak presenting our program. He gave a fine presentation on "Official State of Alaska Silver Proof Medals 1989-today". He also brought his collection for us to view.

We will have another good meeting this month when Mike Ford talks about "What Makes a Rare Coin?" Mike has given us several programs and does a fine job. Be sure to attend.

We have been fortunate in having several guests attend our meetings this year and most of them found out about us from our website.

Please bring to the meeting any of your coins you want to share with the Club during "Show and Tell". This is an interesting and fun part of our meeting.

See you on **August 27th**.

Sincerely,

Bob Jaques

Club Treasurer Recognized at Meeting

At the July 23rd meeting of the Madison County Coin Club, Treasurer Mike Campbell was presented with an ANA certificate of Appreciation for 8 years of service to the Club. The presentation was made by Club President Bob Jaques.

Often the treasurer is taken for granted because he does his job efficiently and without fanfare. According to Jaques, "Mike has done a fine job keeping our Club's financial records accurate and complete these past 8 years. I look forward to his service as Treasurer for our Club."

Thanks Mike from all of us.
