Alabama Coin Show Expands

A larger location and longer duration are in store for the Central Alabama Coin Show.

The show is relocating to the new Clanton Conference and Performing Arts Center on the Chilton County Campus of Jefferson State University.

The 13,000-square-foot facility is located midway between the Birmingham and Montgomery metropolitan areas.

The show's move comes after 12 years at the Pelham, Ala., Civic Complex.

In addition to a larger facility, the show will now expand to three days. Friday will be exclusively for dealers and Early Birds, and the show will be open to the public on Saturday and Sunday. Admission is free.

"For the past 12 years this has been a great show. It has grown from a one-day show with 30 tables to a three-day show with nearly 80 tables," said Carl Shory, bourse chairman. "This new location is conveniently located and ultra-modern with plenty of room to expand in the future."

The next show is set for March 8-10. A fall show is planned for Sept. 20-22.

Jozefiak Running for ANA Governor

I am running for ANA Governor in the 2013 election so that I can serve the ANA by applying my 20 years of ANA volunteer experience and 35 years of professional experience serving on the ANA Board of Governors. I am an ANA Life Member (LM-6087) and have been a member since 1990.

As ANA Governor, I will work to continue the efforts and commitment to bring the ANA to state and regional coin shows, continue the outreach to members, work to increase numismatic educational opportunities and support the rotation of the World's Fair of Money Convention to different areas of the country. I am committed to the ANA vision of being: "The most respected, influential, and beneficial numismatic association focused on education, fellowship, and public service."

My ANA volunteer experience of 20 years includes service at the local, state and national levels. I have served as a club representative, district delegate, regional coordinator and district representative in

Alabama, Florida and Virginia. I have been the current district representative for Alabama since 2006.

I served the on following ANA national committees: Educational Committee (2008-09) and currently on the Strategic Planning Committee (2011-present).

My 35 years of professional experience includes project management and project engineering. I have led a number of projects supporting the government at different locations across the country; from Alaska to Florida and Hawaii to New York. With my work travel, I had the opportunity to visit numerous local coin clubs and coin shows. By meeting with many ANA members and non-members across the country over the years, I can bring a new and different perspective to the ANA Board of Governors.

I have been awarded a number of major ANA awards for my service: Medal of Merit (2011), Glenn Smedley Memorial Award (2005), Century Award (for member recruitment, 2011), Outstanding District Representative (2010, 2009), ANA Presidential Award (2004),

Outstanding Regional Coordinator Award (2004).

I have published over 100 numismatic articles in local, state, regional and the national numismatic press over the years. I have exhibited at many state, regional, and national coin shows; winning many awards. In 2012 I was a Summer Seminar class instructor, teaching a class on exnumia.
