- 5 20th Anniversary Club Medal

"Numismatics, like some aspects of astronomy and natural history, remains a branch of learning in which the amateur can still do valuable work, and it is on the great collecting public, or rather on that part of which is interested in the subject at a scientific level, that the progress of numismatic science largely depends."

Philip Grierson - Professor of Numismatics, University of Cambridge

The Commemorative Coins of the Weimar Republic: Part 18 – Death of Baron Vom Stein

Baron Heinrich Vom Stein, German statesman, brought about the emancipation of the serfs in Prussia, canalization of the Ruhr River, and many other important domestic reforms. He continually urged for German unification and independence of the states. On the obverse is the bust of Vom Stein facing left with the inscription ICH HABE NUR EIN VATERLAND UND DAS HEISST DEUTSCHLAND or in English "I Have Only One Fatherland And That is Germany." The reverse carries the eagle dividing the commemorative dates 1831-1931 and the denomination. The edge inscription reads "Unity and Justice and Freedom."

The Club's 20th Anniversary Medal

The club has decided to strike a medal for our 20th anniversary. In order to make the medal as affordable as possible, the club is contributing \$750 toward the cost of minting. We are initially targeting 20 medals to be minted. If 20 are minted, the cost is estimated to be \$110 each. In addition, if we reach our goal of 20 silver medals, club members will also be able to buy a three metal set (bronze, brass, and either nickel or tin) for approximately \$12 per set.

For every 5 additional silver medals we have minted, the unit price is reduced.

If you are planning to participate in the purchase of medals for our 20th anniversary, please send your money (checks are recommended) to the club's mailing address below:
